Re: United States v. Robert Arellano et al.
Crim. No. 3:17-cr-51

Dear Judge Sheridan:

On October 12, 2018, during trial in the above-referenced matter, the Court, after finding a violation of Rule 12.3 of the Federal Rules of Criminal Procedure by defendant Justin Love, requested that the Government submit a brief to the Court, advising it of remedies the Court may impose upon counsel for defendant Love for failing to comply with Rule 12.3. See Daily Tr. at 2092:19-22.

The Government has been informed by the Court that it no longer seeks briefing on this issue as an adequate remedy was imposed during trial. The Government, therefore, will not submit the previously requested brief.

Respectfully submitted,

CRAIG CARPENITO
United States Attorney
